

BRYARWOOD

Bryarwood is a four piece band performing a mix of country, folk, rock'n roll and reggae hits from across the decades. Check out our set list below, which exceeds four hours of non-stop entertainment which is all performed by memory rather than reading from a propter or tablet. Bryarwood performs live throughout the low country serving Savannah, Hilton Head, Bluffton, and beyond. The band dresses to compliment the style of event, handles sound, and offers stage lighting when appropriate. Catch the band live at area venues, or hire Bryarwood for events, and festivals.
